The GratitudeExp3 will board in Monroeville Boulevard parking lot next to Get & Go gas stations , across the street from Target Department store on July 1, 2015. Parking is limited please have someone drop you off and pick you up. The second bus will leave from Lancers motor coach garage at 110 Lancer court in Sewickley, PA. (No cars can be parked at the garage) departure time for both locations will be announced at a later time. We will be stopping every three hours for a stretch break these breaks will last approximately 15 to 30 minutes each. We must stay on schedule you must be back on time. I will ring a bell you will have five minutes to return to the bus. We will arrive 301 10th Street North West Atlanta, GA. Georgia Tech University at approximately 5:30 PM. We will park the buses outside of the cafeteria. We will go in and have supper and then check into our rooms.

(Do not let your bag unattended)

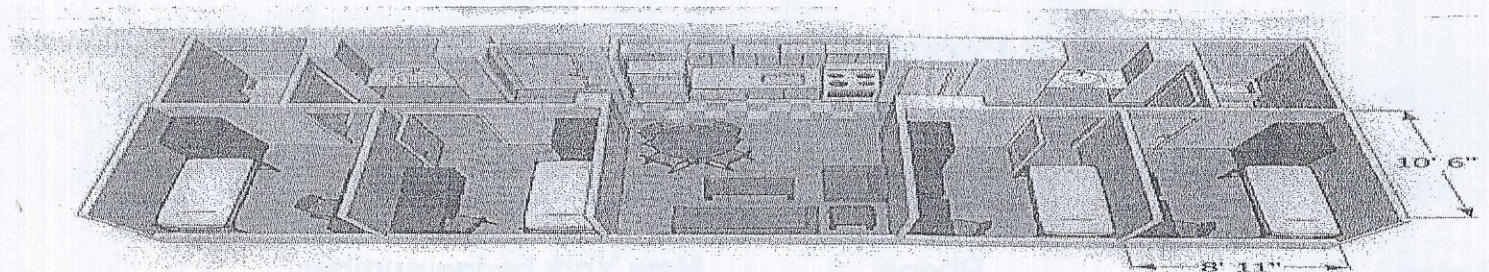

Ask a friend to watch it if you have to leave your bag. You will receive a room at 301 10th St. North West Apartments. You will see the apartment number and then the room number inside the apartment. Example, room 315 bed 4. There are four beds in each apartment. There are two bathrooms in each apartment, plus a full kitchen and a common area. We will have supper after we get our room assignments at the University. After our long trip you can go to sleep or go down to the Georgia dome and the world Congress Center. 10 to 15 minutes walking from Georgia Tech or three minutes on the Metro Thursday morning, we pick up our registration package. I will turn off my cell phone and no longer be available because I'm going to enjoying myself in Atlanta's . Sunday morning 5 July, we will have breakfast at the University. The bus will take us to the closing meeting at the Georgia Dome. After the meeting, around noon time, we will board the bus to come back to Pittsburgh. Hopefully the university will provide box lunches for the trip back. The bus will have to make one stop on the way down to Georgia. I think it's a 30 minute stop for refueling and to change drivers. We all have to be back on the bus on time. We will have to do the same on the way back from Georgia.

Members with special needs would like a scooter to get around convention center and back and forth to the University on the Metro system and public transportation can preorder a scooter by calling 1-888-441 7575 ask for the international conference of AA operator scooters are \$225 for the week picked up at the convention center when you register. There is quite a bit of room underneath the bus for a cooler with soft drinks and water there will also be soft drinks and water on the bus we are responsible for keeping the bus clean. You can pack a lunch if you like. Or you can bring snacks chips candy bars energy bars.

Welcome aboard GratitudeExp3
