I have attended all but one retreat since it's inception almost 25 years ago. It is the spiritual highlight of my year. Sharing recovery with other women in this venue is the best. Love the labyrinth too!

Mary Lou R., Fairview, PA

I was just a few months sober when I went to my first retreat at Findley Lake. I didn't know what to expect and was a little nervous. What I found was other women very much like me. Every year that I am able to attend is a breath of fresh air. Lots of laughing, praying, learning and growing!

Sandy W., Erie, PA

The women's retreat at Findley Lake was where I finely found the dessert of AA. It was sweet, wonderful, the fun in recovery.

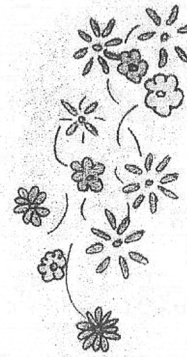

Eileen T., Erie, PA

I was uncomfortable going, not knowing anyone and fairly new to the fellowship. I opened my heart and mind, found a wonderful sponsor and put down strong roots into the fertile ground of sobriety. With the steps and caring women, such as those at the retreat...I continue to grow. A truly inspiring weekend.

Our Mission

The Erie Area Women's Retreat at Camp Findley was established in 1993. The mission of the retreat is to provide an opportunity for recovering women to grow in their understanding of the AA philosophy and way of life through the 12 Steps and 12 Traditions; to further their spiritual growth; to enhance the fellowship of women in recovery and to provide a forum for sharing experience, strength and hope as recovering women. Our primary purpose is to stay sober and to help other women alcoholics achieve sobriety.

The weekend includes meetings, workshops, speakers and opportunities to learn and share the AA way of life.

"Attending the women's retreat is one of the best things I have done in recovery. Miracles happen at the retreat — every year!"

Stephanie H., Erie, PA
